

9 top tips to bring life back into your office space

1. Move furniture around. Careful not to block fire exits etc
2. Change the position of some of the desks
3. Consider flexi desks or desk sharing
4. Buy in new coloured chairs for a new look
5. Bring in some plants or artwork or rugs
6. Think about introducing screens for a different feel
7. Decorate the walls and change the colour of the carpets
8. Reorganise your storage set up
9. Have a general tidy up
