SYGNUS
OFFICE PARTNERSHIP

COMPANY PROFILE

We have over 35 years experience in our industry and we have built up an enviable reputation. We have a large portfolio of products with a client base ranging from large multi nationals, professional service companies and small businesses. As a result we have numerous satisfied customers who can and will provide testimony on our expertise and professionalism. From the initial planning stages through to installation and completion, our team apply their technical expertise and skills to ensure a smooth transition from the old to the new.

SPACE PLANNING

Space planning is an essential part of the modern day office. With our team of highly skilled CAD designers we aim to fulfil the planning requirements of all our clients. Our planning service ranges from detailed 2D cad plans to impressive 3D renders. All plans are produce to the highest standard creating the most stylish yet practical working environment.

PROJECT MANAGEMENT

Our aim is to liaise with you throughout the project to create the office design and business working environment you require, meet the operational needs of your staff and create the company image you wish to promote to your suppliers and customers. Our success has been built on completing projects on time and within budget and with the minimum disruption to your business and employees. Thereafter we provide a service with ongoing maintenance support which sets the seal on a project of the highest quality.

SIRIUS

Sirius Cantilever Desking. A high quality cost effective desking solution. Incorporating a cantilever leg design with optional cable management. The range also includes a complete selection of standard desk shapes and sizes.

Available Desk Shapes

As an alternative option from our Sirius range we have Odyssey. A simple and timeless panel end design to uplift any working environment.

ODYSSEY

Qudos Cable Managed Desking. Incorporates a fully cable managed cantilever leg design and has a wide range of desking shapes from 120° segments to hot desks.

Available Pure Desk Shapes

Pure Desking is a modern take on affordable desking. The individual desks offer the bench impression without restrictions. Pure Storage is also available with handle less fascias to create a smooth stylish finish.

Pure Bench has all the characteristics of a modern bench system. Leg sharing capabilities, extension frames, cable management and frame mounted screens. A competitive option for bench desking.

Veta Bench is also a cost effective benching system. Available in 700mm & 800mm deep desking sizes.

Veta also has the option of single desks & single runs to complement the bench range.

VETA BENCH

iBench is idea for the modern open plan office. With the ability to share components, iBench allows for continuous, cable managed desking configurations. The choice of 3 leg styles adds variation and style

Available Desk Shapes

iBench also offers individual desks and has a range of storage to complement.

The addition of the boardroom tables in each of the 3 leg designs provides a constant theme throughout the building

EVOLUTION

Breathe life into your office space with the natural texture of the Evolution Oak finish. Combine with fresh colours to create a truly uplifting atmosphere.

Add a dash of colour. Evolution offers 21 RAL colour finish legs to allow a little creativity in your working environment

HEIGHT ADJUSTABLE

Freedom X

Freedom X Bench and Individual desks offer a stylish option for electric sit/stand desking for a wide range of budgets, whilst providing you with all the health benefits of an active workspace.

With height adjustment between 650mm to 1300mm the Freedom X range gives a TRUE Sit-Stand solution.

Freedom Lite

Available Desk Shapes for Freedom Lite

Freedom Lite is a more cost effective option of Sit/Stand electric desking. A choice of desk shapes and sizes are available to suit your requirements.

EXECUTIVE

Executive is a luxury desk range without the luxury price tag, the two toned option in an extensive choice of board colour creates a unique and modern design.

Executive is available as a radial or a straight desk.

KNOK TABLES

A versatile range of boardroom, meeting & breakout tables. Knok has the ability to create single or two piece tables with the option of cable ports and power management. The impressive Selection of sizes allows Knok to be specified throughout the workplace.

EVOLVE

Evolve Oak Legs offer a natural contrast to a modern interior layout, bringing the outside in. Or be inspired with a dash of colour encouraging creativity and flair.

RECEPTIV

Disabled access base units are an important addition to your office reception and can be configured into your desired reception layout, whether curved or straight.

Mix and match board colours to create fresh and modern reception combinations.

Allure is our latest range of stylish Reception counters. Its modular design, the option of multiple panel designs and our choice of 18 board finishes allows you to create a truly unique reception to make a statement in your reception area.

BREAK OUT FURNITURE

Evolve is the latest addition of boardroom, social and breakout tables. Available as dining, poseur and coffee tables with complementing stools and bench seats. Evolve adds a fresh, alternative look to our extensive table offering.

Escape Benches are a versatile range of breakout furniture. From Panel End dining heights to Hoop Leg poseur heights there is a wide range of sizes to choose from to suit your breakout area.

Seat pads are an optional extra for Escape Bench seating. The range is enhanced by the extensive choice of board colours and adds extra depth to your interior.

As well Escape Bench we have bistro style tables and seating and a full range of soft seating.

The Form seating range is a modular soft seating range allowing you to create flowing shapes to suit your break out space. Included in form is also the high back booths and seating for when a little extra privacy is needed for informal meetings.

SEATING

To complete your office space we also offer a full range of task seating that is supportive and comfortable. Some ranges also have conference chairs to match.
